

Container recycling collection point

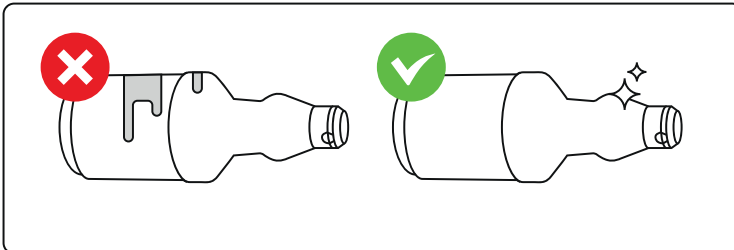

Together we can help to avert plastic waste significantly. Accordingly, Hagleitner will pick up your empty Hagleitner containers at the next delivery – simply place them in a bag to return for recycling. However, please note the following for returns:

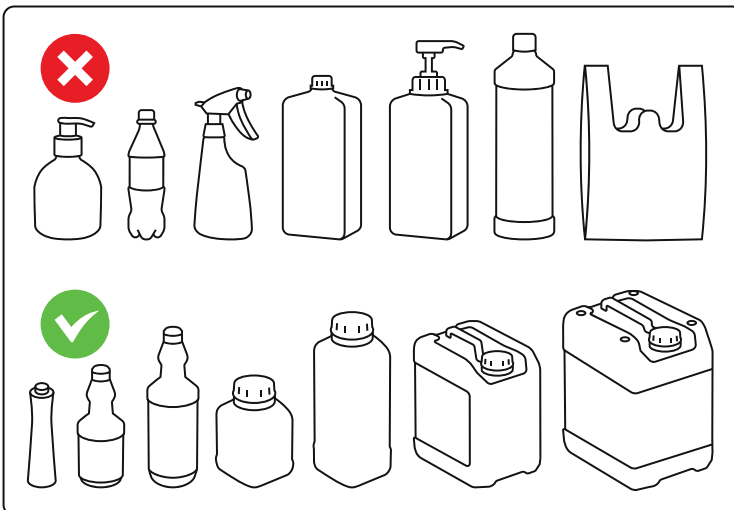

Only with caps and lids

Only empty containers

Clean inside and out

No third-party packaging

Only these Hagleitner containers

For keeping the environment clean – Hagleitner says thank you!
