

Pleasantly discreet: in shape, perfume and complexity.

Elegant, minimalistic design combined with easy handling:  
Thanks to the new product range LUNA 2.0, you reduce complexity of the personal care refilling products to a minimum. With its timeless and aesthetic form, the dispenser integrates itself harmoniously into every bathroom and wellness area. The excellent quality of the ingredients will definitely impress your guests, as they will simply feel good!

You choose the perfume which will determine your guests „feel at home“ sensation.

The HAGLEITNER Body Care Guarantee: all products are suitable for allergy sufferers, 100% vegan, free of parabens, mineral oil and silicones. All added perfumes are IFRA-tested, therefore free from allergenic perfumes.

**HAND SOAP – the high-quality liquid hand soap.**

*rose\**: discreet rose scent with a light smell of magnolia, moisturizing.

\* Awarded with the European Ecolabel

**HAIR & BODY – the 2-in-1 hair and body wash.**

- *fresh*: classic and invigorating.
- *asia*: soothing and relaxing.
- *lemongrass sensitive\**: invigorating, mild and moisturizing.

**HAND & BODY LOTION – completes the luxurious experience.**

*white pearl*: the rose and lavender oils complement each other to create a special and unique note with a significant care effect.

Your hotel. Your mark.  
Your product range of personal care.

Not just any hotel or soap: with the integration of your logo on the LUNA 2.0 showerMAID dispenser, you emphasize the exclusive appearance.

HAND & BODY LOTION | white pearl

You will love its minimalism.

LUNA 2.0

### showerMAID

**Elegant and practical: the designplus for your bathroom.**

- Simply chic: the shape of the bottle signalizes high quality.
- Easily customized: individual logo on each holder
- Simple mounting

**A special wellness experience for your guests: the personal care products.**

- High-quality ingredients.
- Five decent aromatic scents.
- A complete personal care system: soap, shower gel, shampoo, body lotion.
- Quick one-hand operation.

**Easy handling: your employees will save time and nerves.**

- Economical, with a fixed dosing.
- The clever mechanism guarantees a quick bottle exchange.
- The filling level indicator on the rear of the bottle provides efficiency.
- No cleaning required. It is 100% drip-free.

### paperBOY

**An important role in a stylish bathroom.**

- Tidy appearance – thanks to the roll reserve integrated in the system.
- Always full – the roll reserve can be placed once three-quarter of the first roll is used.
- Minimal storage space - due to the fourfold quantity of toilet paper on the role.
- User-friendly service – the inspection window and the keyless mechanism turn the handling and the refilling into a breeze.

### multiROLL toilettPAPIER

**Top-comfort for your guests - reduced storage space in your warehouse.**

- High-quality, embossed paper for the highest demands.
- Available in three or four layers

### sanitaryBAG

**The most effective protection against congested drain pipes.**

- Stylish sanitary bag dispenser with wall mount.
- For the hygienic disposal of the tampons and sanitary towels.
- Economical thanks to single bag withdrawal.

### wasteBOX S

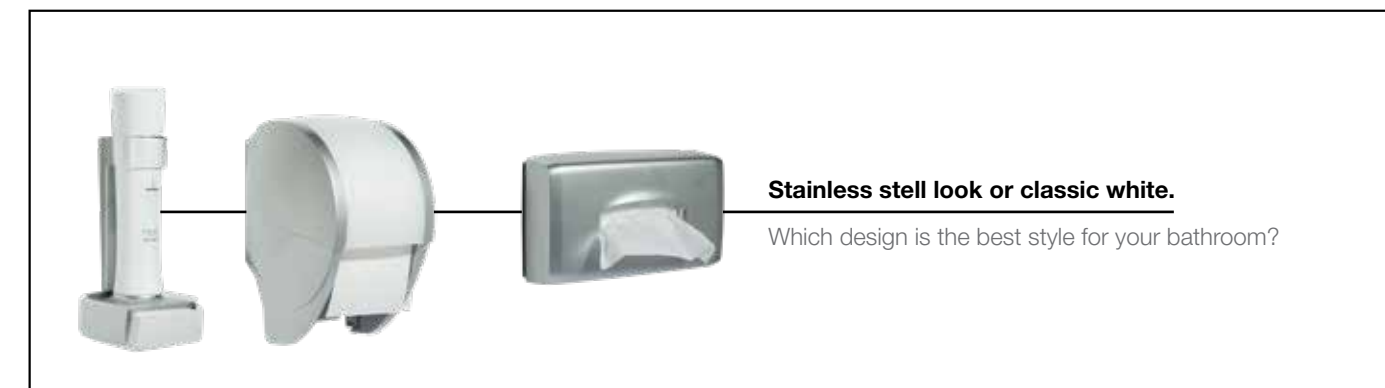

**Well thought-out system in every detail.**

- Modern design and robust construction.
- Stable step mechanism.
- Ideal capacity of 6 litres.
- Time advantage for the service staff in their daily routine: the removable inner bin can be emptied with a single hand movement.

### multiBOX

**Flexibility is the key advantage.**

- Free-standing or wall-mounted? You have all the choices.
- White and soft: the 2-layer cosmetic tissues are ideal for well kept washrooms and guest rooms.

**Stainless steel look or classic white.**

Which design is the best style for your bathroom?
