

## XIBU senseDISHES

Dispenser for dish washing detergents

**Product name:** XIBU senseDISHES  
**Product range:** kitchenHYGIENE

### Product description:

Contact-free dispenser with adjustable quantity for a safe and exact dosing of a manual dishwashing detergent DISHES into commercial sinks. Drip-free with reserve tank. The state of the electronically controlled filling level resp. battery capacity is displayed through an illuminating ring. Single-handed cover opening, lockable. Casing made of antistatic, impact resistant ABS plastic.

### Packaging unit:

1 piece

Art.-No. 4210800250

### Field of application | use:

The easily replaceable vacuumBAG and the reserve tank form an air-tight passage. The performance of the dispenser and content quality are maintained even against splashing water or when not used for a long time.

### Dimensions:

H x W x D: 27.7 x 13.5 x 10.8 cm

### Installation:

Due to the drain cock a flexible mounting next to or above the sink is possible. Assembling and first operation of the dispenser is done by trained HAGLEITNER staff.

### Refills:

DISHES, 6 x 700 ml

Art.-No. 4210800103

### Accessories:

system batteries type C

Art.-No. 4111201200

powerPACK ex foam

Art.-No. 4111202500

powerPACK in foam

Art.-No. 4111203200

### Product recommendation:

The innovative technology always guarantees a constant and economical dosage of the manual dishwashing detergent DISHES (Art. No. 4210800103).
